

SENA Apper

Tilpass en rekke innstillinger og funksjoner på Sena-enheten din med de nye Sena-appene. Med funksjoner som Smart Intercom Pairing som muliggjør umiddelbar sammenkobling med skanning av en QR-kode, er Riding Connected desto enklere.

Vis og last ned hurtigstartveiledningen for å oppleve enda flere funksjoner på enheten din.

Last ned Sena-apper på **Google Play** eller **App Store** og ta kontroll over Sena-enheten din.

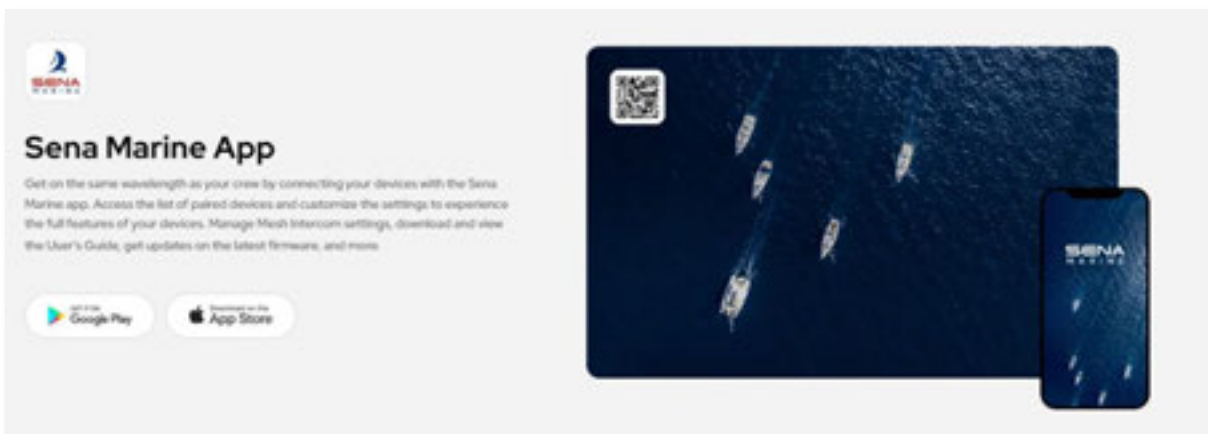

SENA INDUSTRIAL

The advertisement for the Sena Industrial App features a background image of a worker in a yellow safety vest in an industrial setting. A QR code is overlaid on the top left. A smartphone in the foreground displays the app's interface. To the right, the text reads: "Sena Industrial App. Experience Sena's proven and trusted industrial communication solution with the Sena Industrial app. Simply download the app and pair/connect your Sena headset to your mobile phone in the Bluetooth settings menu. Manage Mesh & Bluetooth Intercom settings, get support, and more for improved efficiency and safe communications." Below the text are buttons for "Get it on Google Play" and "Download on the App Store".

Produktene inkludert er: CAST, Tufftalk M, Tufftalk Lite, Expand Mesh og SPH10

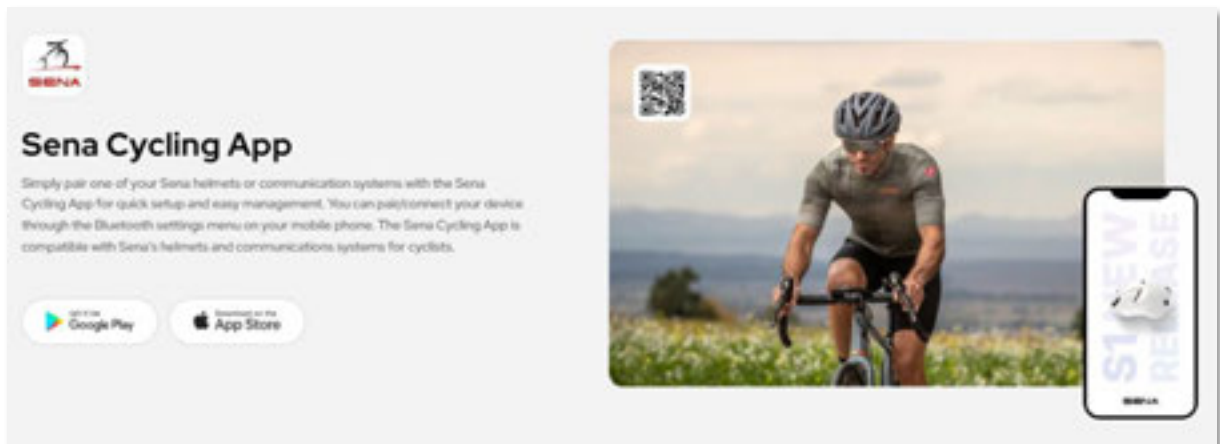

SENA MARTITIME

The advertisement for the Sena Marine App features a background image of several boats on the water. A QR code is overlaid on the top left. A smartphone in the foreground displays the app's interface. To the left, the text reads: "Sena Marine App. Get on the same wavelength as your crew by connecting your devices with the Sena Marine app. Access the list of paired devices and customize the settings to experience the full features of your devices. Manage Mesh Intercom settings, download and view the User's Guide, get updates on the latest firmware, and more." Below the text are buttons for "Get it on Google Play" and "Download on the App Store".

Produktene inkludert er: Nautitalk Bosun og Nautitalk N2R

SENA CYCLING

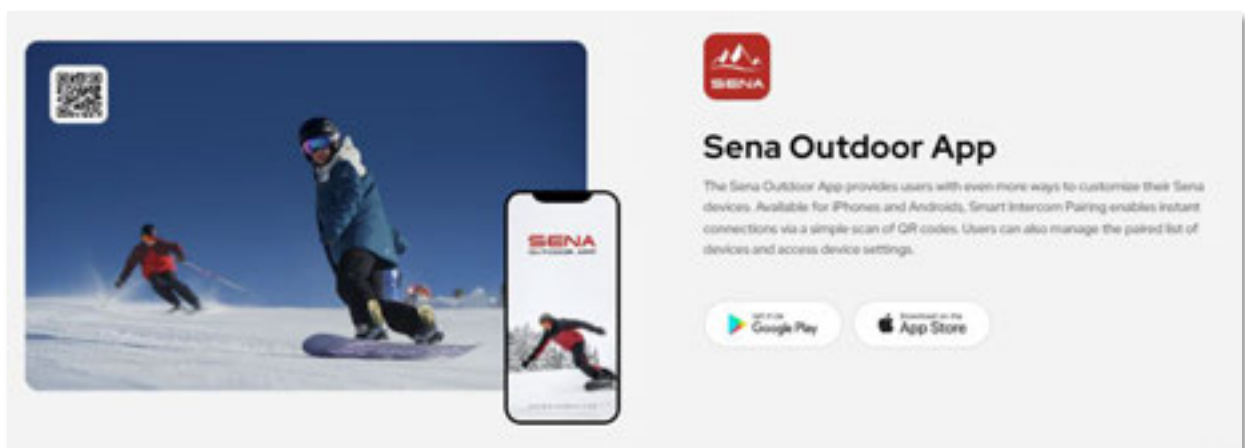

Produktene inkludert er:

Landeveis hjelmer – S1, C1, R2X, R2 EVO, R2, R1 EVO og R1

Terreng hjelmer – M1 EVO og M1

SENA OUTDOOR

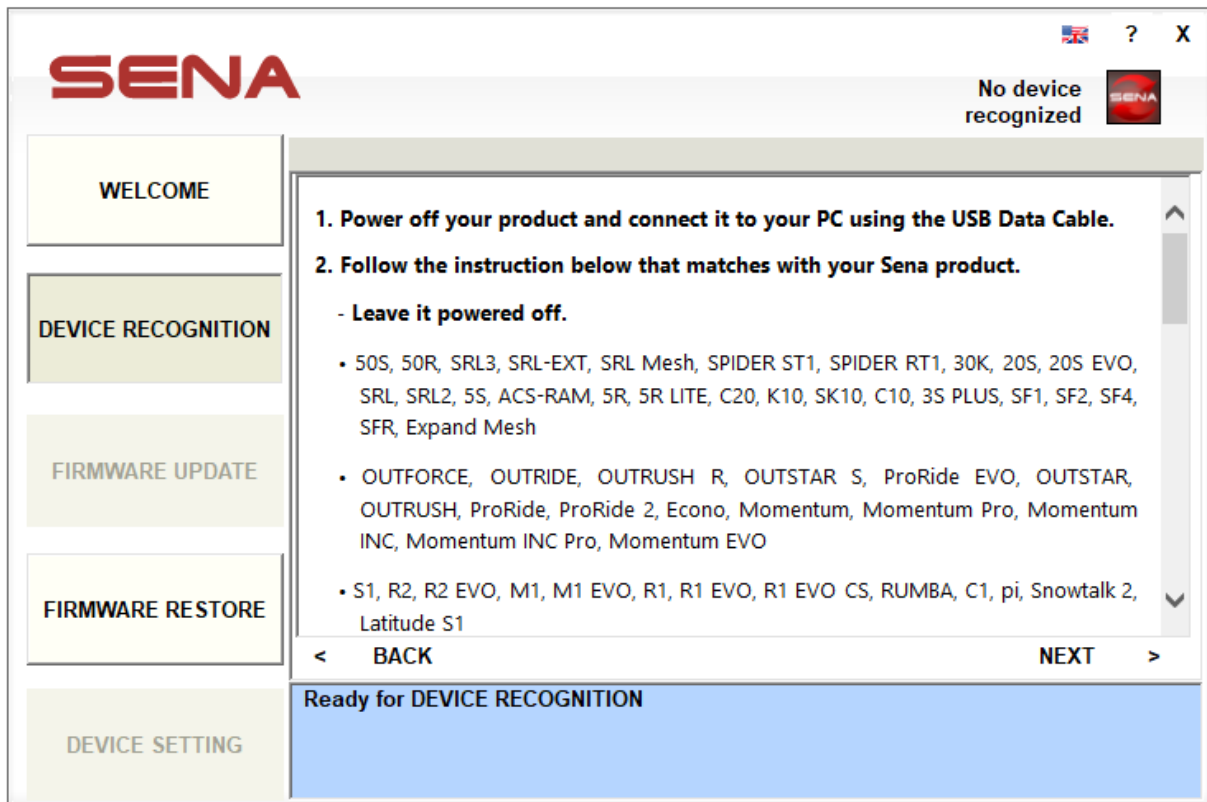

Produktene inkludert er, Expand Mesh, Meshport Blue, Meshport Red og SPH10

SENA Device Manager
