

AB12-R7NX

Jatronic PTT
Switch/Adapter for
Motorola MOTOTRBO™
R7

AB12-R7NX is a PTT compliant with Motorola MOTOTRBO™ R7 series radio. It is specially made for extreme environments when communication is critical. The PTT adapter can be connected to all types of headsets with dynamic mic and nexus TP120 plug with 4 poles Peltor pinning. The PTT adapter has a good grip and is suitable for use with work gloves.

The AB12 series is specially designed for extreme environments where mechanical strength and water proofing are important for safe and secure connection.

AB12 meets the new digital systems high requirements for electronics, component selection and the right levels.
